NOVOGEL

Code 9020

**Anti-Bacterial Hand Gel. Clean & Fresh.
Air Dries in Seconds with Aloe Vera Moisturiser & Skin Care**

DESCRIPTION

Novogel is an alcohol free gel specifically formulated to provide anti-bacterial protection in situations where exposure to different bacterial contaminations is possible or likely.

Novogel includes Aloe Vera skin moisturisers and is pH balanced, and so protects skin from dryness & irritation.

Application: apply 1 or 2 mls on the hand; rub hands together spreading the Novogel between the fingers and on the back of hands. Ensure an even exposure over all the surfaces of the hands. Allow up to 15 seconds for hands to air dry. No other washing or rinsing is required. For soiled hands wash with soap and water before using Novogel.
